\$525 Given Thus Far To Rescue Team Fund With \$975 To Be Raised

Ceremony Sunday To Break Ground At Faith

The ground-breaking ceremony, instituting construction of the new church sanctuary of Faith Lutheran Church, 835 Hastings Ranch Dr., will take place at approximately 11:30 o'clock next Sunday morning, immediately after the congregation's worship service.

After the 10:30 a.m. worship service, in which Rev. Armin Hesse will speak on the theme "Putting the Hand to the Plow," the congregation will proceed to the lot on the southwest intersection of Sierra Madre Blvd. and Hastings Ranch Dr. for the rites.

All members and friends—children, young people and adults—will participate in the drawing of the first furrow along the foundation lines, according to Kenneth Bock, chairman of the building committee.

"The rite will emphasize the unity of mind and purpose which supports the project," says Pastor Armin Hesse.

WITHIN TEN DAYS after the ground-breaking, the Daniel Bros. Construction company will begin work. Architect Culver Heaton of Pasadena has designed the sanctuary to seat 315. Construction time is estimated from five to six months.

At 9:15 o'clock next Sunday, the Sunday School departments will consider the Biblical account of "The Man Sick of the Palsy." Bible classes for the junior high, the senior high and college level, and for adults also meet during this hour.

Another event will be noted by the members of Faith Lutheran Church during February. On Sunday, Feb. 5, the congregation will mark the tenth anniversary of organization.

Arson Trial Is Under Way

John Judson Rasco, Sierra Madre and Arcadia realty dealer, this week was placed on trial in Pasadena on an arson charge growing out of the fire which last May 16 seriously damaged a frame residence at 165 E. Sierra Madre Blvd. which he owned.

He also is accused of setting fire to the house in order to defraud the insurer. A jury of four men and eight women Tuesday visited the scene of the fire to obtain first-hand knowledge of the case. Rasco denied the charges.

Light Bulbs Taken

Don Margolin of 606 W. Sierra Madre Blvd., reported to police that a case of light bulbs and miscellaneous articles had been stolen from his establishment.

Lee Shippey Writes On Rock-Sock

We cannot send a man to Mars
Until by chimps the way is found.
Thus sometimes one can reach the stars
Through merely "monkey-ing" around.
The moral is: Mere rhymes like this
May point to things that are amiss.

ONE THING I fear will be amiss in this election year is the political habit of flinging exaggerated, baseless and insulting accusations at rival candidates.

Too many professional politicians believe in "rock-and-sock" campaigning just as football coaches believe in rock-and-sock football—they feel a candidate must give the impression he is a fierce fighter to stir his backers to enthusiasm.

In football the glorification of rock-and-sock tactics is resulting in injuries which haunt some fine young men the rest of their lives, and in politics it results in many baseless assertions which may hurt good men all their lives. That is not sportsmanship nor is it justifiable.

FOR EXAMPLE, though I am basically a Democrat, I was disappointed when Richard Richards announced his candidacy against Senator Thomas Kuchel, putting such labels as "schizophrenic" on a man who seems to have won respect for honest effort, no matter how some of us may disagree with him.

Similarly we should beware of any political orator who makes any charge of Communist leanings or underworld connections or anything else which he's not prepared to prove in court.

SOME PERSONS try so hard to live it up that they live themselves up first.

EVERYONE WHO has high hopes of making way 101 has started in wonder at its "Leaning Tower." It was the chimney of a brick kiln built in 1888 but was never used because something gave way in its underpinning, causing it to lean just about as much as

All Records Smashed

Cold-Snow Boosts Fuel Use In Area

Unusual spectacle of snow in Southern California last week caught many persons unprepared, but not Southern Counties Gas Co. and its affiliate firms which supply natural gas to the Southland, says District Manager R. E. Harbicht.

Harbicht pointed out record gas consumption figures were achieved during the week of Jan. 22. For instance, the sendout to domestic gas consumers throughout Southern California was 2,272 billion cubic feet on Monday, Jan. 22, breaking the previous all-time record of 1,980 billion cubic feet dispatched Jan. 14, 1960.

GAS COMPANY officials pointed out that this 2,272 billion cubic feet consumed during Monday's heavy sendout was almost six times the consumption registered during a typical warm day last August.

"The gas companies' ability to meet these record demands," Harbicht says, "was achieved by existence of a widespread and extensive transmission and supply system which brings in a steady supply of gas from California fields and from out-of-state sources—some of them as much as 1,500 miles away—and stores the excess, not used during

warmer months, in underground storage fields, so that it can be used to meet especially heavy demands during cold periods."

The fact that individual domestic consumers use four to six times more gas on a cold winter day than they do on a warm summer day is something most of them don't realize, Harbicht adds. Because of stepped-down rates for higher usage, of course, their winter gas bills do not increase by the same amount, but even so, most household customers take natural gas so much for granted, they are usually not cognizant of the heavy increase in winter usage.

IN THIS RESPECT, Harbicht—turn to page 8

Mrs. Lequin Hurt In Fall

Mrs. J. E. (Etta) Lequin, 84, one of the city's most widely known and beloved women, fractured a hip last Friday afternoon when she accidentally stepped backward in the kitchen of the home at 169 W. Montecito, slipped and fell heavily on the floor.

Picked up by her husband, Mrs. Lequin was taken to Sierra Madre Community Hospital where the fracture was reduced by Dr. Norman J. Johnson. Alert as always, she is reported doing nicely.

Concerts For School Pupils Rare Success

By Mary Mametta

The Festival Chamber Players of California started their concert at Sierra Mesa School promptly at 9 o'clock Monday morning. The children filed into the school auditorium in an orderly manner and with apparent anticipation.

Dr. H. Leland Green, director of the Department of Music Education of Pasadena City Schools, introduced the musicians; Ray Menhennick, violinist and director of the group; Dorie Rutger, oboe; Julian Spear, clarinet and Charles Gould, bassoon.

The program included works of Mozart, Alvin Eter and Randall Thompson and a woodwind demonstration of such rare wind instruments as the heckelphone, bass clarinet and contrabassoon. The youngsters sat on the edge of their seats and stared in awe at these unusual instruments with tones both fascinating and humorous.

DURING THE PERFORMANCE of each number, the students listened intently after which they applauded with sincere animation and interest.

The Sierra Mesa School Auditorium is a delightful setting for a concert of chamber music and was made even more artistic with the sun rising high and

'Courage Campaign' Needs Your (\$1) Bucks

BULLETIN

Several members of the Sierra Madre Search and Rescue Team were called into the hills back of Monrovia this morning to help recover a lost boy.

More than 500 residents of Sierra Madre, Hastings Ranch, Sierra Madre Villa, the Oaks-Highland and Rosemead-Foothill areas have given \$525 to the One Buck (\$1) "Contribution to Courage" fund for the benefit of the famed Sierra Madre Search and Rescue Team.

But—and this looms large—\$975 remains to be raised if the entire amount of \$1,500 set by the SIERRA MADRE NEWS as the goal for the campaign to assist these hardy mountaineers whose life-saving is legend, is to be obtained.

To date, these hard-bitten hill men have always paid for their own supplies and equipment—this mounting into the hundreds of dollars yearly—but because of increased costs they are unable to continue this and financial help is needed.

The SIERRA MADRE NEWS has undertaken to raise \$1,500 with which to underwrite the Search and Rescue Team for this year. It solicits one buck (\$1) from each resident in the area, though more may be given if the donor desires. In fact, any sum up to \$1,000 is acceptable.

Cost of equipment and supplies for Search and Rescue Team members is seen in the fact that their shoes cost \$30 a pair, crampons \$15, hard hat \$4.50, nylon rope, ice axes, caps, lamps and so on, bring the total for one man to \$215.75 or \$4,315 for the 20 man team. Equipment boosts this another \$2,871, making an overall cost for the entire aggregation some \$7,186.

How can you give to the Search and Rescue Team fund?

HERE IS WHAT you can do and it is exceedingly simple. Just have a heart—and a dollar bill (One Buck):

Cut out the coupon here printed, fill it out—it is extremely simple. Sign your name, put ONE BUCK (\$1) — Check or currency — in the envelope and mail it to the following address:

Search and Rescue Team,

OR BRING your contribution to the Sierra Madre News office.

Each contribution will be recorded and acknowledged promptly in this newspaper.

Your dollar bills will be immediately tabulated, and a complete report made weekly so that you may know how this worthy campaign is going.

So send in your ONE BUCKS today.

Let's all make this a splendid CONTRIBUTION TO COURAGE.

La Salle High School PA Busy Planning Beautiful 'Sweetheart Dinner Dance'

By Toni Maurin

The La Salle High School Parents Association is deep in the throes of planning a beautiful "Sweetheart Dinner Dance" at the Stuart Building at 3660 Foothill Blvd. on Feb. 10. At 7 p.m. cocktails will be served, followed by a buffet dinner and dancing to music by Thurman Fullers-King's 5.

I don't like to give away the surprises as to the decorations, but I am free to say that the tables will be cleverly decorated with graceful red baskets with froths of pink tulle and white camellias.

And what Sweetheart Ball would be complete without red hearts, which are so significant of the season? This dance promises to be one of the best of the season.

THOSE RESPONSIBLE for making the plans are Mr. and Mrs. Lawrence M. Ryan, chairmen; Mr. and Mrs. Joseph McElwee, co-chairmen; Mr. and Mrs. Howard Trudeau, decorations; Mr. and Mrs. Ernest P. Maurin Jr., publicity, and Mr. and Mrs. Lee K. Petersen, reservations.

Although the reservations will be limited, I am informed that there are still a few available and may be had by calling Mrs. Petersen at EL 5-2132.

Will You Give 1 Buck?

I hereby give the sum of ONE BUCK (\$1) toward the "CONTRIBUTION TO COURAGE" Fund designed to raise \$1,500 with which to purchase equipment and supplies for the SIERRA MADRE SEARCH AND RESCUE TEAM.

NOTE — You may contribute more than \$1, if you wish.

Mail or bring all contributions to Ed-E. Herwig, Editor and Publisher, SIERRA MADRE NEWS, 9 Kersting Court, Sierra Madre, Calif.

Complete accounting will be made through City Administrator Lawrence C. Bevington. All monies will be deposited in bank for use of Sierra Madre Search and Rescue Team.

Rescue Member, Ranger Extricate Boy From Canyon

By Bill Work

A 10-year-old Compton boy, injured in a mountain fall, was rescued Sunday afternoon by U.S. Forest Ranger Reed Marks and Frank Van Winkle of the Sierra Madre Search and Rescue Team.

Raymond Alarcon of 5431 McMillan St., Compton, with his father and pet dog, were climbing the rugged north slopes of Clamshell Canyon and had almost reached the top when their dog bounding ahead struck lodged a rock which struck

Raymond on the leg. He tumbled 40 feet down a cliff-side.

Unable to reach the boy, his father scrambled to a ridge overlooking the Arcadia Wilderness Park and started crying for help.

FRANK VAN WICKLE and Ranger Reed Marks, in the area at the time, responded. They found the boy suffering from shock, scalp cuts and abrasions from his fall.

After giving emergency first aid, the two men carried the boy carefully from the mountains and delivered him to his anxious father.

Coord Group School Paper Forms Panel Is Organized Of Speakers

A panel of speakers was formed at the board meeting of the Sierra Madre Coordinating Council held Jan. 24 at the home of Rev. and Mrs. George W. Lindsay, 101 W. Bonita, to assist in youth activities.

These speakers will include Thomas A. Butch, assistant city administrator in charge of recreation activities; Steve Luder of the Youth Council; Jean Le Veque, Adult Advisory Committee member, and Mrs. Claude H. Brown, Jr., also Adult Advisory Committee member.

They will present future projects to be undertaken by and for the young folk, putting emphasis on the need for and value of community participation in these activities. They will also present recreation programs and plans for Youth in Business and Government Day to be held on March 9.

THE CO-ORDINATING Council will present a resolution to City Council for action in the Senior Citizen's Program. The resolution is based upon a report and recommendations by the Senior Citizen's Study Committee.

The next Co-ordinating Council meeting will be held on Feb. 6 at 8 p.m. in the Sierra Madre Nursery School, and all are welcome.

Eastern Star Meet

Order of Eastern Star 299 meeting and initiation will be Monday, Feb. 5, 8 p.m. at Sierra Madre Masonic Temple, 33 E. Sierra Madre Blvd. Mrs. Alice Morrison, worthy matron, and Sam Simpson, worthy patron, will preside.

Alverno Guild To Offer Le Belle Mode

Mrs. Richard Steel, decorations chairman, is pleased to announce that Frank Ferris, widely known decorator, has created for members of Mount Alverno Guild a breathtaking setting for La Belle Mode, fashion show luncheon to be presented Feb. 20. White doves will flutter among the tables decked with lilac and gold and centered, each one, with a beautiful statue of Saint Francis.

The Viennese Room of the Huntington-Sheraton Hotel, Pasadena, will resound, on

that day, with the music of Maestro Jerry Rosen. Now, the piece de resistance, Mr. Travilla will preview for them the fabulous ring collection. The name "Travilla" is synonymous with fashion. He has dressed many American beauties, among them the ageless Loretta Young.

Mrs. Charles Boggs, general chairman, asks for the generous cooperation of all members in making this event a success. The Sisters of Saint Francis, for whom the benefit is planned, have at this time many added ed-

ucational expenses. The Sisters, last May, moved their Mother House to Redwood City and the indebtedness is heavy.

MRS. CHARLES GILB, fashion coordinator for the Guild, has worked with Mr. Travilla for this activity and is bubbling with enthusiasm over the beauty of Mr. Travilla's models. Petite Mme. Travilla will portray the contrast between her diminutive size and that of the gorgeous long-legged American beauty models.

Mmes. Albert Porreca, Joseph Rue and Paul Simone are in charge of the raffle tickets which were distributed to members recently. Cash prizes are to be awarded to those holding the lucky tickets at the luncheon.

Mrs. Harold Funk has many surprise door prizes for those who attend. Mrs. Earl P. Snyder has obtained from the Christian Brothers winery favors for the guests.

FOR RESERVATIONS you may contact the chairman of reservations, Mrs. William Dean Haupt, SY. 4-8840; Mr. G. R. Bartolome, EL. 5-2412; Mrs. William Bryne, SY. 8-5878, or Mrs. Joseph Quigley, HI. 6-1282. Cocktail hour

will commence at 11:30 with Luncheon at noon. Donation, \$6.

Congregational Church Is Locale For Wedding of Bonnie Long, R. J. Loghry

The picturesque surroundings of Sierra Madre Congregational Church were the fitting locale Monday, Jan. 22, for the wedding ceremony of Miss Bonnie Jayne Long, daughter of Mr. and Mrs. Raymond N. Long of 330 Manzanita, Sierra Madre, and Richard Dean Loghry, son of

Owen Loghry of Belle, Rev. George W. Lindsay, pastor of the church, officiated and the bride was given away by her father.

The attendants were Kay

Long, sister of the bride, and Mr. Loghry, with members of both families attending. A reception at the bride's home followed, with 40 relatives and friends present.

THE BRIDE is a graduate from the Sierra Madre Elementary Schools, John Marshall Junior High, Pasadena High, with one year at Pasadena City College. The bridegroom is a graduate from Pasadena High and spent six months in the U.S. Navy Reserve. He is at present employed in Los Angeles. Bonnie is with the Pacific Telephone Co. in Pasadena.

For the wedding Bonnie was attired in a turquoise wool suit while Kay wore a beige sheath and jacket.

Following a honeymoon in Northern California and Portland, Ore., the young couple will make their home in Pasadena.

Rogers Attend Wedding of Granddaughter

Dr. and Mrs. Ralph M. Rogers of 700 Fairview went to Santa Barbara Saturday, Jan. 27, to attend the wedding of their granddaughter, Susan Jayne Miller, to James Rollins of Santa Barbara. Her parents are Mr. and Mrs. E. Jacques Miller of Arcadia.

The bride, who is a Registered Nurse, was graduated from the University of California at Berkeley. The ceremony was performed in the Santa Barbara Baptist Church.

St. Rita Guild's Annual Fashion Show, 'Portrait in Pink,' Scheduled for Feb. 6

"Portrait in Pink" will turn the spotlight on fabrics and patterns on Tuesday, Feb. 6, when St. Rita's Guild of Sierra Madre presents its annual fashion show.

According to Mrs. Edmond D. Pulone, president, luncheon will be served at 11:30 o'clock in Parish Hall under the direction of Mrs. John Heck, Mrs. Walter Flemming and Mrs. Harold Dawson. Mrs. Christopher P. Robertson will be fashion show commentator.

Mrs. Carlyle Griffin has chosen the following Guild members to appear as models: Misses Ralph Neves, Michael Riordan, John Nuccio, Ross W. Cortese, James Walters and Thomas Pickren. Also Misses Cindy Paegel, Leslie Teeple and Hedy Cortese.

HIGHLIGHTING the theme "Portrait in Pink" will be a large picture frame center

stage. As the models appear here, they will be spotlighted as individual portraits, then continue down a specially constructed ramp through the audience.

The frame was designed by Mrs. Charles Marshall and lighting and construction are through the courtesy of Carlyle Griffin and Dean Irvin.

Arrangements for favors and door prizes were made by Mrs. John Tahl. Patterns and fabrics shown are available at Garland's.

Around the Town With Martha

CHRISTA LYNN SHROPSHIRE, daughter of Mr. and Mrs. Courtney W. Shropshire 3rd, 935 Sierra Blanca, Monterey, was baptized Sunday, Jan. 28, at 3 p.m. in Holy Angels Church, Arcadia.

Mr. and Mrs. Theodore Broomfield of Sierra Madre, Christa's maternal grandparents, became her proud godparents at the ceremony.

Christa Lynn, happily gurgling and making her own small talk, was baptized in her paternal grandmother's baptismal dress which is 159 years old and was rejuvenated in 1939 in New York for christening of her father. New batiste was added, but the lace and design remain the same.

The petticoat has 16 inches of old lace and the entire outfit is 42 inches long. The back is buttoned with tiny gold hearts threaded on a long chain. With the dress is worn a tiny gold and pearl pin which was brought to the baby's maternal great-grandmother, Mrs. Isabelle Angell Smith (deceased) by her great-aunt from France.

Christa Lynn's paternal great-grandfather is Dr. Courtney W. Shropshire, founder of the Civitan Club. Her paternal grandparents are Mrs. James M. (the beautiful Janet S.) Scott and the late Courtney W. Shropshire Jr.

JAMES NICKOLOFF, 13, son of Mr. and Mrs. James A. (Virginia) Nickoloff of 311 San Gabriel Court, has been awarded and honored for his citizenship and cooperation with fellow students at Marshall Junior High School, Pasadena, by the Pasadena Chapter, Daughters of the American Revolution.

Selections were made by Miss Marion Dankers, assistant principal of Marshall, and James Hurley, counselor. James, an 8th grade student at Marshall, was given a gold pin with the insignia of the DAR, designed with a simulated stack of books and inscribed on a crossbar

John, son of Mr. and Mrs. Harold W. Diffley, was born 21 years ago at the family home at 157 N. Mountain Trail and has always lived there. He attended Sierra Madre School, John Marshall Junior High, Pasadena High School and was graduated from Pasadena City College.

He majored in photography and journalism, earning honors in each group. John is a member of the Calvary Baptist Church on Colorado Blvd., and until he left for military service was junior deacon on the Church Board.

He also will be missed at Lee-Mac Camera Exchange in Pasadena, where he has been selling photography equipment and guiding purchasers for several years.

Having passed required examinations, he has been accepted for U.S. Army Motion Picture Photography, with studies to begin in near future.

Note: the above information was assembled by John's mother, Mrs. Harold W. Diffley, our friend and neighbor. We gratefully thank her.

RECENTLY WHILE marketing in Sierra Madre we spotted a real live doll baby, a little beauty with softly curling black hair and snapping black eyes with lashes that appeared an inch long. We approached her mother for introduction. Mother is Mrs. Ralph (Gloria) Zimmer and doll is Johanna Lee Zimmer, who was 15 months old on Monday, Jan. 29.

Mr. and Mrs. Zimmer came to Southern California from Denver for a vacation last August. They liked the climate, people and especially Sierra Madre. Ralph made application for a job and in September; they moved to Sierra Madre and live at 264 Santa Anita Court. Ralph is final inspector at Vards.

Johanna was named for her maternal grandfather, John Somma. Mr. and Mrs. Somma live in Denver. Gloria is an adult edition of her lovely little daughter.

JANET AND JIM SCOTT

of 440 E. Laurel are appreciating our January warm weather. About a week ago they returned from a ten-day trip to Mammoth and Lake Tahoe where they'd been for a midwinter vacation and skiing trip.

Janet said, "We had a real blizzard Friday night before starting home and believe me it took Jim three hours to clear our car." The beige Cadillac looked clean and fine without a scratch when it came by the house.

Duffy Shropshire, Janet's personable youngest son, left Wednesday for an extended trip throughout the Western states and will reenter college next September.

Ranch Roundup

By
Joyce Wenger
SYcamore 8-4777

Scores of our Ranch matrons are making plans to attend the Stanford Junior Woman's Club's annual Dessert-Bridge Benefit Feb. 14. Stanford alumni and their guests will fill 100 beautifully decorated tables in ten homes, enjoy tasty home-made desserts — and some may even

win fabulous prizes!

STANFORD JR. MRS. BOYD BIGGAR of Wisteria Way, Sierra Madre, has invited Mmes. Robert Michael, Ted Brady and Robert Clark to fill her table. Two Stanford Jrs. living on Cartwright will attend. They are Mrs. Roy W. Carver, who will be a hostess at Mrs. Jack Supple's lovely Carolwood Dr. home; and Mrs. W. R. Wood with her guests, Mmes. Glenn Wunderly, Neil Torrence and Fred Dahl.

MRS. GEORGE KROEGER has reserved two tables for her guests. Mrs. Thomas Walsh invited Mmes. John O'Donnell, Victor Cassee and Jay Newhouse. Mrs. Richard Arthur, Stanford Jr. and newcomer on Kinneloa Mesa, has invited Mmes. John Welsh, H. W. Bridgford and Marshall Freeman.

Also planning to attend are Mmes. David Bierhorst, Harold Hennacy, John Queen, Edward Watts and Harry Halstead. Mrs. Bruce Trumbull, benefit chairman, announces funds raised at this event will be used for a tuition scholarship for a Pasadena area girl to attend Stanford University. Persons interested in supporting the scholarship can obtain ticket information from Mrs. Trevor Morris, AT. 7-6687.

CHATTING WITH Stanford Junior, Mary Carver, I learned belatedly of the birth of daughter Elizabeth Craig (Betsy), born last November. Mary and Bill, (he's also a Stanford grad), have two more young misses at their Cartwright home; Anne, 3, and Kate, 2.

SKIING AT SNOW SUMMIT, and making a week-day habit of it — are Lucille Washburn, Sue Cummins, Marilyn Hyde, Barbara Steed, Dolores Zinsmeyer and more! The Bart Steed and Jack Washburn families were among the many Ranch families who took to the slopes last weekend!

REPUBLICAN WOMEN are reminded the next meeting of the East Pasadena-Sierra Madre club will be Feb. 14, at 10 a.m. at Eatons. Speaker to be announced next week. Nita Bacon, membership chairman, would be delighted if every member brings a guest.

LES TRENTÉ AMIS will again present the Michael Navarese collection at their annual "Symphony in Fashion" benefit Feb. 8, in the Huntington Sheraton Viennese Room. I recall their fashion-luncheon last year was absolutely the MOST, and recommend my fashion-minded readers would do well to take note and not miss this spectacular annual event!

Members of Les Trenté Amis, (meaning 30 friends), work all year to prepare for this benefit, proceeds of which go to the Pasadena Tuberculosis Association for out-patient services.

It might well be called a Ranch endeavor since so many of the "thirty friends" live here.

Mrs. Lawrence Bohman of Pembroke Dr., is president.

SIERRA MADRE NEWS—5

Mrs. Robert Fry, busy general chairman, is being ably assisted by Mmes. Norman Buckle, George Fasching, John Milich, Jules Thibaut and Wyman Williams.

Other active members from our area include Mmes. Jack Mayhew, H. C. Riggins, Raymond Summers and Gene Vance.

Mrs. Merle Mead, SY. 6-4051 will take your reservation. See you there!

GET-ACQUAINTED coffees are a wonderful "institution," and I'm happy to report on two this week. Mrs. Thomas Walsh invited friends to meet her new neighbor, Mrs. Glenn (Pat) Thomson.

Of course, Glenn, Pat and their two youngsters are not exactly strangers in the Ranch because Rev. Thomson has been minister of Christian Education at Trinity for the past year.

However, they are new to their home at 1230 Medford Rd. and Marie Walsh thoughtfully invited Mmes. David Bierhorst, William Dunn, John O'Donnell, John Becker, Jr., Robert Miller, Ben Wade, Kenneth Boyce, Thomas Shepard, Clifford Cummings and A. Arthur Ward to meet Mrs. Thomson.

I understand she is an accomplished pianist and also sings in the Trinity Choir. Marie tells me she enjoys hearing Pat's daily practice. Marie's mother, Mrs. Michael Kopecek, was also present for the coffee, before concluding her six week's visit and returning to her home in Portland, Ore.

JULIE PERRY gave a coffee for Pauline Ward yesterday — and therein lies a tale!

The gals, who live a block apart on Cliff Dr., met for the first time as maternity hospital roommates last spring.

Since then, they've become good friends, and so have their young 'uns.

Although Pauline has lived in the Ranch for several years, she's been quite "home bound" with three tiny youngsters; and so Julie

invited some of the Las Jaraminas Garden Club members living near Pauline to a "get-acquainted" coffee!

Guests included Jane Hunter, Betty Coates, Jane Howell, Laura Brannon, Mary Atkinson, Jean Stivers, Mary Steed, Jackie Starrett and Jo Loomis. Mr. Ward teaches English at Alhambra High.

MRS. FRANKLIN A. WILLIAMS of Sierra Madre, president of the Shakespeare Club Juniors, will preside over the February business meeting on Wednesday, Feb. 7, at 7:45 p.m., at Stratford House.

A report on proposed by-laws will be made. Juniors are increasing the number of Social Service hours required for membership in the club.

Guest speaker for the evening will be Pasadena Police Lt. Martin Stornie. Martin and his wife Alice, member of the Juniors, are brand new residents of Sierra Madre, having taken possession of their new home on South Holdman recently.

A past speaker for the Juniors, Lt. Stornie will give humorous anecdotes and highlights from his 12 years experience on the force. He will be introduced by Mrs. Henry C. Foes, Jr., program chairman.

DR. ALBERT HIBBS, speaking on "Our Space Program" will present the second in a series of four Saturday enrichment programs for 5th and 6th graders at Eugene Field School Feb. 3 from 10 to 11:30 a.m. Dr. Hibbs is chief of the Division of Space Scientists at Jet Propulsion Laboratory. These programs are sponsored by the Field PTA.

MEMBERS OF LAS CAMPANERAS will meet Feb. 7 at "The Chefs Inn" for their regular monthly meeting. Cocktails at 11:30 a.m. and luncheon at 12:30 noon.

Mrs. James C. Wentz will introduce Carl Terzian, lecturer and traveler. His topic will be "The Stupendous 70's." Mrs. Neil Rowley, president, will preside.

I tell you science is just wonderful, yes wonderful. One of my sons received an elaborate electrical testing panel the other day. This little panel will perform umpteen functions for you if you have the patience to figure out all the directions — all on a few flashlight batteries. He's had an absolutely marvelous time with it.

In order to convince me of its worth he has been telling me some of the ways we as a family can function better with it in the house.

For instance, it can tell me if it is raining. The whole panel will light up if it is wet. Saves me looking out a window. If the atom bomb comes, all we have to do is plug in the television and coffee pot, and presto — no more worries.

Actually, my only worry now is that we lay in a big enough supply of all the batteries so that we can continue as usual!

THE WEATHER of last week inspired a lot of our hillites to take trips to the snow. Among those enjoying the ski slopes at Mammoth were Mr. and Mrs. Charles Klingerman and their two children, Mark and Janice of Wynn Rd. They left Thursday for a "mid-term" vacation, returning Sunday evening.

DR. AND MRS. MUELLER of Old House Rd. went up to enjoy the better than three feet of snow at Lake Arrowhead. They took their two children, Steve and Melissa, as well as Beth Ann and Joan Christensen.

They were joined there by Mr. and Mrs. Philip Kirt and their four children, Peter, Nancy, Christine and Ann.

THE CHARLES GOLDS-WORTHYS of Fairpoint had quite a search going for the old-fashioned sled to take with them to Idlewild last weekend. They took their two children, Nancy and Charlie with them.

MR. AND MRS. SAM MATLOFF of Old House Rd. were also among the weekend vacationers. They left last Wednesday for a six-day trip to Phoenix, Ariz. where they visited with their cousins, Leo and Helen Gorss. Among the highlights of their trip was a visit to Scottsdale.

MR. AND MRS. PAUL L. WETCHER of Kinneloa Mesa Rd. were delighted by a visit by Ed Wetcher, his brother, from Toledo, Ohio, over last weekend.

Not quite so incidentally, Paul Wetcher was just elected vice president of the NCA. (National Constructors Association) in their recent meeting in New York. Congratulations.

MR. AND MRS. KARL DEITZEL of Meyerloa Lane had a dinner party recently to celebrate Mr. Deitzel's birthday anniversary. Their guests were Mr. and Mrs. George Wimmer, Mrs. Alice Wimmer, and Mrs. F. H. Deitzel.

AMONG THE NOTABLE visitors on the hill recently was Dr. Rustin McIntosh of the Babies Hospital in New York City. Dr. McIntosh is also head of the Columbia University Medical Department. He was visiting his niece, Mrs. Joseph Magnan of Old House Rd.

IT ALWAYS MAKES me sad when someone moves away. Mr. and Mrs. Dave Elmer of Fairpoint will soon leave for the Bay Area to take up residence at Orinda.

Mrs. George Holmes of Old House Rd. had a farewell "brunch" last Friday for Mrs. Elmer. The women there were Mrs. Robert Anderson, Mrs. Robert Kenny, Mrs. Ella Sorgenfry, Mrs. Buelah Von Norman, Mrs. Ernest Maurin, Mrs. Norman White, Mrs. Lyle Anderson, Mrs. Randolph Wood, Mrs. David Wood and Mrs. Robert Fey.

ANOTHER FAREWELL party last Friday was given for Mrs. Kenneth Coons by Mrs. R. D. Haugaard and Mrs. M. A. Horton of Pasadena Glen Rd.

Mr. and Mrs. Coons will be leaving this coming week for their new home in Green Valley near Lancaster. Mr. Coons is with the Sheriff's Department and has been stationed up there.

The party, a luncheon, was also an occasion for the girls to give Darlene several lovely going-away gifts. Guests, in addition to the honoree, were Mrs. Dean Dawson, Mrs. Omar Ford, Mrs. Ben Rogers and Mrs. William Hastings. Mrs. Horton's daughter, Allison, filled in and helped out with the refreshments.

LEGAL NOTICE

ORDINANCE NO. 680
AN ORDINANCE OF THE CITY OF SIERRA MADRE, CALIFORNIA, AMENDING SECTIONS 4211 AND 7306 OF THE SIERRA MADRE CITY CODE.

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DOES ORDAIN:

SECTION 1. Section 4211 of the Sierra Madre City Code is hereby amended to read as follows:

Section 4211. Method of payment.

The method of collecting the fees provided for herein shall be as follows:

a. The City owns and operates the City water system. Bills are sent out by the City each month for water consumed. It is hereby determined by said City Council that the bills for water service shall also be the medium for billing and collecting garbage, combustible and non-combustible materials fees, during the months in which the bill is rendered.

When the regular water bill is rendered for a particular location and there appears thereon a charge for garbage, combustible and non-combustible materials collection, the total sum shown on said bill shall be paid as one unit and all of the provisions of Chapter 3 of Article VIII, and the amendments thereto, pertaining to (1) collection of fees, (2) penalties, and (3) enforcement of charges for water service shall apply to the total amount shown on the statement for water service and garbage, combustible and non-combustible materials collection service.

b. Where garbage, combustible and non-combustible materials are collected at a location where water is not consumed, a separate monthly bill shall be presented to the person liable for the services charged. The collection of such charges shall be governed by the provisions of the general law.

SECTION 2. Section 7306 of the Sierra Madre City Code is hereby amended to read as follows:

Section 7306. Billing for and payment of monthly sewer service charges.

a. All sewer service charges shall become due and payable to and at the office of the Water Collector on the 1st day of the month next succeeding the month of service and before delinquent on the 10th day of the succeeding month.

b. All bills for such charges shall be issued by the Water Collector.

(1) In all cases where the premises in question is connected to the municipal sewer system, the sewer service charges shall be combined with bills or statements for water service rendered by the municipal system. The bills shall state their purpose and the charges for sewer service and the total charge for both shall be paid separately for the other.

(2) If a premises with sewer service is not connected with the municipal water system, a separate bill shall be rendered for sewer service only.

(3) All of the provisions of Chapter 3 of Article VIII, and the amendments thereto, pertaining to (1) collection of fees, (2) penalties, and (3) enforcement of charges for water service shall apply to such sewer service charges.

SECTION 3. The City Clerk of the City of Sierra Madre shall certify to the passage and adoption of this ordinance and to its approval by the Mayor and shall cause the same to be published in the Sierra Madre News, a newspaper of general circulation, printed, published and circulated in the City of Sierra Madre.

Adopted and approved this 23rd day of January, 1962.

W. W. VANNIER,
Mayor of the City of Sierra Madre, California

ATTEST: MARIE WARFEL,
City Clerk of the City of Sierra Madre, California

STATE OF CALIFORNIA
COUNTY OF LOS ANGELES ss.

I, MARIE WARFEL, City Clerk of the City of Sierra Madre, California, do hereby certify that the foregoing Ordinance, being Ordinance No. 680 was introduced at a regular meeting of the City Council of the City of Sierra Madre held on the 9th day of January, 1962, and was duly passed, approved and signed by the Mayor and attested by the City Clerk at a regular meeting of said City Council held on the 23rd day of January, 1962, by the following vote:

AYES: Councilmen Abernethy, Rule, Lisle, Vannier.

NOES: None.

ABSENT: Councilman Sorenson.

L. MARIE WARFEL,
City Clerk of the City of Sierra Madre, California

Published: Feb. 1, 1962.

LEGAL NOTICE

City of Sierra Madre, California
NOTICE INVITING BIDS
FOR CONSTRUCTION OF
SANITARY SEWERS

ASSESSMENT DISTRICT
NO. 74

Pursuant to statute and Resolution No. 1861, adopted January 23, 1962, by the City Council of the City of Sierra Madre, California, and an act of the Legislature of the State of California designated as the "Improvement Act of 1911," as set forth in Division 7 of the Streets and Highways Code, sealed proposals will be received at the office of the City Clerk of said City, 55 West Sierra Madre Boulevard, Sierra Madre, California, until 10:00 o'clock a.m. on February 8, 1962, for furnishing all plant, labor, materials and equipment for construction of sanitary sewers in Assessment District No. 74. Sewer pipe shall be EITHER vitrified clay pipe OR asbestos-cement sewer pipe at the Contractor's option. Installation of the two pipe materials will not be permitted. The work includes 6.75 linear feet of 8-inch sanitary sewer line, 440 linear feet of 6-inch house laterals, 168 vertical feet of standard manholes, 35 vertical feet of drop manholes, 8 vertical feet of special manholes, miscellaneous concrete encasement and bedding. All quantities are approximate. Said work is particularly described in the Resolution of Intention No. 1837, adopted November 14, 1961, by the City Council of said City. The entire work is contained in a single bid schedule. All work must be completed within 120 calendar days after date of execution of the contract.

The proposals will be publicly opened and read in the Council Chambers of said City on the date and at the time above-mentioned. The bids will be presented to the City Council at 8:00 p.m., on February 13, 1962. Plans and specifications and all contract documents may be obtained at the City Clerk's office of said City, or at the office of James M. Montgomery, Consulting Engineers, Inc., 535 East Walnut Street, Pasadena, California upon payment of a deposit of ten dollars (\$10.00) for each set of specifications and accompanying drawings. Said deposit will be refunded upon return of the specifications and drawings in good condition within 30 days after the proposals are opened. The specification is entitled "PROVISIONS FOR CONSTRUCTION OF SANITARY SEWERS IN ASSESSMENT DISTRICT NO. 74."

Reduced prints of the original drawings are bound in the specifications.

The scale of the reduced drawings is about one-half the original scale. If full-scale drawings are desired for estimating purposes, they may be purchased at reproduction cost from James M. Montgomery, Consulting Engineers, Inc.

Each proposal must be accompanied by a certified check in the amount of ten percent of the aggregate amount of the proposal, or by a bid bond for that amount signed by the bidder and two sureties, or by a corporate surety bond, as a guarantee that the bidder, if an award is made to him in accordance with the terms of his proposal, will promptly execute a contract in the required form, secure payment of workmen's compensation, insurance, and furnish a satisfactory faithfulness bond and a labor and material bond. Each of the last-mentioned bonds shall be in the sum of not less than fifty percent of the estimated aggregate amount of the payments to be made under the contract, computed on the basis of the price stated in the proposal, in addition to the above and if requested by the City, the bidder shall furnish a financial statement of recent date. Failure to comply with this requirement will render a bid informal and shall be sufficient cause for rejection.

Pursuant to applicable provisions of the Labor Code of the State of California, not less than the general prevailing rates of per diem wages for each craft or type of workman needed to perform the work contemplated under the contract, as ascertained by and set forth in the schedule of such wage rates specifically hereinafter set forth and adopted by the City of Sierra Madre, California, shall be paid to all workmen employed on said work by the Contractor or by any subcontractor doing or contracting to do any part of said work, with schedule of wage rates as follows:

Menus For Our Schools

THE SIERRA MADRE NEWS has arranged with Pasadena Elementary School District authorities to present each Thursday the menus which for the ensuing week will be offered in the cafeterias at Sierra Madre and Sierra Mesa Schools.

MONDAY—Chopped steak on mashed potatoes, cole slaw, peach cup, rye bread and butter, milk.

TUESDAY—Hamburgers, corn or tomatoes, vegetable sticks, fruit gelatin, milk.

WEDNESDAY—Turkey in gravy over fluffy rice, broccoli or peas, fruit wedges, yeast biscuit and butter, milk.

THURSDAY—Toasted cheese sandwich, spinach or mixed vegetables tossed in green salad, cake with fruit sauce, milk.

FRIDAY—Oven grilled fish, hash browned potatoes, string beans or cabbage, apple crisp, hot roll and butter, milk.

Pupils Concerts

continued from page 1
 casting shadows over the mountains, as we looked out over the vista to the East! The Festival Chamber Players then packed their instruments and equipment and drove over to Sierra Madre School where the same concert was given to students from the 2nd through the 6th grade.

THE CHILDREN were seemingly entranced, not only with the woodwind demonstration, but with the music performed. At the conclusion of the concert, Philip Mitchell (who had introduced Dr. Green) asked the audience if they would like a return engagement of these musicians. The enthusiastic applause was most assuring.

These concerts were part of a series sponsored by the Coleman Chamber Music Association. Mrs. Jud R. Scholtz, representing the association, was introduced at each school.

It was quite evident that Sierra Mesa and Sierra Madre Schools abound in potential concert-goers.

U.S. Mail Box Broken Open

Some one using a crowbar smashed open a combination relay-drop mailbox at S. Lima and Orange Grove last Friday night. Postal inspectors and Sierra Madre police are investigating to determine whether mail was stolen.

Move to Organize League of Women Voters in S.M.

Mrs. Hugo Benioff, unit chairman of the Pasadena League of Women Voters, will speak to an exploratory public meeting of women seeking to form a Sierra Madre Unit of the Pasadena League at 9:30 a.m. Friday, Feb. 2 at the Mrs. Carl Sidle home, 225 Sturtevant Dr.

The League of Women Voters is a non-partisan organization devoted to citizen participation in government. It is expected a Sierra Madre League would undertake a local "Know Your Town Study" while working with the Pasadena League on state and national studies.

 does the Leaning Tower of Pisa.

More than 100 feet tall, it has stood there through hurricanes.

Home Is Entered

Police were advised Monday by Mrs. Ruth Marshall that her home at 147½ N. Mountain Trail, had been entered during her absence. Nothing of value, however, was taken.

ricane winds and a few floods, defying gravitation and symbolizing stalwart independence.

But winds and rains of Jan. 19 and 20 were too much for it, and the battle-scarred old veteran went down.

I MENTION this mainly as a reminder to those who think businessmen are almost entirely swayed by dollars, rarely by sentiment. The Union Brick Company,

owner of that chimney, would have demolished it decades ago but for sentimental admiration of its stalwart endurance.

And now it is a pleasure to read that the company's president announces intention of rebuilding the "Leaning Tower" with reinforced steel.

Of course, the wonder of our "Leaning Tower" was that it was brick only.

After the San Francisco, Long Beach and Santa Barbara quakes many persons agreed that frame houses could stand heavy earth shock much better than brick can, and San Diego's "Leaning Tower" was up-standing proof of what brick can do when well used.

A brick tower reinforced with steel may not have the same effect. But it will still remind all of us who marveled at it for decades that San Diego's "Leaning Tower" stood much longer than the average human being lives.

Fuel Use At High
 (Continued from page one)
 bicht reemphasized his short list of "household hints," designed to help customers make sure they are making the most efficient use of gas and their gas equipment, particularly their heating and water heating appliances.

These rules are:
 1—Turn your thermostat down to between 60 and 65 degrees before you go to

bed.
 2—Close the flue on your fireplace when it is not in use, to prevent heat escape.
 3—Keep drapes drawn over large window areas, because heat dissipates quickly through glass.
 4—Make sure to close heating vents in unused portions of your house.
 5—If you have a rooftop-based air conditioning system, close the baffle during the heating season.
 6—Make sure the filter on

your forced-air furnace is clean.

7—Keep your hot water faucets shut snugly, and repair all leaky faucets.

ON THE THEORY that every penny counts," Harbicht said, "you will find that these rules will help insure the most efficient use of natural gas during the months when the comfort and health of your family are particularly reliant on this dependable, year-round 'silent servant'."

"He that ruleth over men must be just, ruling in the fear of God. And he shall be as the light of the morning...; as the tender grass springing out of the earth by clear shining after rain." — Last Words of King David. Old Testament.

"The flames kindled on the 9th of July 1776, have spread over to much of the globe to be extinguished by the feeble engines of despotism; on the contrary, they will consume these engines and all who work them."—Jefferson's "Testament of Freedom."

Gov. Brown and Our Taxes

President Kennedy's proposed \$92 billion budget and the forthcoming budget session of the State Legislature centers attention of Californians on the heavier taxation (spend-and-spend) of the Democratic administrations at Washington and Sacramento. Particularly — and painfully so — on the \$13½ billion the Brown administration has been extracting from the people of California, to say nothing of the formidable increase in bonded indebtedness, part of which at least, future generations will have to pay. Overall tax collections in California 20 years ago during the fiscal year 1940-41 (war years) totaled a modest \$1,074,750,497. The state, of course, has grown since that time from a population of 6,907,387 to an estimated 16,800,000, one factor for measurement against increased tax collections.

FEDERAL TAX collections in California last year totaled \$8,486,217,000, an increase of \$488,506,000 over the previous year's \$7,997,711,000.

State tax collections last year totaled \$2,578,246,762, an increase of \$154,614,635 over the previous year's \$2,423,632,127.

Local tax collections amounted to around \$2½ billion. The major problem confronting the California Legislature and Governor Brown's administration this year is how to raise more money without seemingly boosting taxes. Sacramento newsmen report the Governor will propose to the Legislature that another \$1 billion in bonds be floated to cover various programs.

WHEN GOVERNOR BROWN took office, the state's total bonded indebtedness was \$2,568,300,000. In three years Brown has more than doubled this figure, obtaining authorization for another \$2,650,000,000 or a total bonded indebtedness for California of \$5,218,300,000, of which \$2,545,680,000 have been sold.

Thus taxpayers may be certain that no matter how the state and national administrations sugarcoat the issue the people of California are going to pay more in taxes this coming year than ever before.

Passing of a Personage

Sometimes the passing of a pioneer is of more than ordinary significance. When it concerns a person who has been of rare value in the upbuilding of the community, it not only marks a sincere loss but also the partial passing, at least, of an epoch.

Such is the case in the demise of Sierra Madre's centenarian, Mrs. Mary Bishop Caley, who passed on last Tuesday a week at her home at 233 Ramona Dr.

Mrs. Caley was of the hardy stock which in the early 1800's emigrated from New England to what was then known as the Western Reserve and in which Moses Cleaveland founded the now great city of Cleveland, Ohio, on Lake Erie.

COMING TO SIERRA MADRE with her husband, the late William P. Caley, and their two daughters in 1895, she not only recovered her health but immediately plunged into decades of the utmost activity as a charter member of the Woman's Club, a leading light in the Congregational Church and a functionary in manifold cultural and civic activities.

Though she passed the 100th mark last Oct. 6, she remained bright and chipper and a source of delight to her many friends who visited her constantly.

Any city misses the passing of a personage; Mrs. Caley was delightfully that.

Fallacies of the Left

The following is taken from an address by Ronald Reagan, actor and anti-Communist leader, given at the recent dinner for the medical staff by the Board of Directors of Huntington Memorial Hospital. Because of its pertinency and the clear, logical thinking of its author, this newspaper, cognizant of Moscow's smooth, subversive maneuvers and slick propaganda in this country, is glad to print the following excerpts from this staunch American's remarks:

"Mr. Khrushchev has said that Capitalism will inevitably evolve into Communism," said Mr. Reagan, "but not all at once. He says there will first come an intermediate stage of Socialism."

"Supremely confident of victory, the Communists say that we will give up more and more of our democratic practices under pressure of the cold war until one day we will waken to find we have become so much like the enemy that the reason for enmity will have disappeared."

"WELL, HAVEN'T we been trying to fight Communists without really fighting Communism? There is a Liberal philosophy that seems to think of Communism as simply an extension of extreme Liberalism and that Soviet police brutality is not an integral part of Communism, but is rather an error superimposed on the political system."

"Those motivated by this so-called Liberal philosophy believe the solution to the cold war is to refrain from an overt act that would anger the men in the Kremlin, while our own system is reshaped into a government-controlled and directed economy."

"As we move left, the roughnecks in the Kremlin, ashamed of their ways, will supposedly come a little Right and the conflict will dissolve in one world Utopia."

"THE LIBERAL campaigns for more participation by the Federal Government in areas heretofore the province of the state, community and individual. The only common denominator needed to win support of any legislation these days is the extent to which it will increase the power and authority of the central government."

"It would be immoral and the height of folly to infer

NINETY-FIVE YEARS of service to Red Cross are represented in this group of dedicated volunteers who are again swinging into action for the coming fund drive. Sierra Madre Branch Chairman Mrs. H. Randolph Wood boasts a 40-year pin, while Fund Chairman J. Carl Brand (2nd from left) has one more year to go for his. Chapter Chairman Joel V. Sheldon (left), president of Vroman's in Pasadena, and Fund Chairman Bruce McPheeters, Pasadena banker, each has an eight-year record with the organization. Janet Wood, whose family were Sierra Madre pioneers, says "I can't imagine a better way to spend my time than to work for Red Cross on behalf of my neighbors in this community and for mankind throughout the world," while Brand, retired from his position as vice president of Title Insurance and Trust Co. in Los Angeles, has dropped all other activities for the next three months to devote his time and energy to seeking funds in support of Red Cross humanitarian activities.

News From Sacramento ...

Brown Misreads Signs of Times

By Edwin S. Capps
(Capitol News Service—
Special to the Sierra Madre News)

SACRAMENTO — Even as Governor Edmund G. Brown prepared to give his candidacy announcement speech calling for even more expenditure of the taxpayers' money, there was at least one indication his free-spending administration is not reading the signs of the times correctly.

While the Governor made ready to propound his disparaging attack on Richard M. Nixon at a plush \$100-per-plate dinner in San Francisco, he heard the disquieting news (to his administration) that Democratic Stanislaus County had elected a Conservative Republican to the Assembly.

The Republican is John G. Veneman, former supervisor of the county, who defeated the Democratic candidate in a two-man race by a majority of more than 2,000 votes.

IT WAS PREDICTED in this column some weeks ago that if Stanislaus County countered its Democratic vote and elected a Republican in this special election, the poll easily could set a trend toward selection of representatives in the Legislature dedicated to more

careful conservation of state finances than the past two Legislatures have been.

Only time, which runs out next November, can determine of course, whether this trend will continue, but in any event, the stage now has been set to show the Stanislaus election as a precedent. The county has had a Democratic assemblyman since 1932.

The Veneman election came in the face of the heaviest support Governor Brown's administration ever gave a candidate for the Assembly. The Governor himself made a stirring speech in favor of Veneman's Democratic opponent.

His failure to sway the voters is a reasonably good indication that his prestige hit a new low in Stanislaus County, which gave the Governor a majority of 12,816 votes over Senator William F. Knowland in 1958.

POWERFUL NEWSPAPER support was enlisted through an endorsement of the Democratic candidate virtually at the end of the campaign. In addition, other prominent Democrats conducted campaigns of their own at the behest of party headquarters and Democratic state officials.

With all the support furnished by the Democrats, the administration no doubt is still wondering why it didn't win the Stanislaus battle. To many observers, the answer is easy. Signs of the times are pointing to more sober consideration of government affairs, less liberality with the taxpayers' money, and fewer government employees.

In his announcement speech, Governor Brown called the trend toward conservatism a "resurgence of anti-Americanism in our state and nation." No doubt Governor Brown neglected to read, or have his ghost writers read Section 2 of Article I, California Constitution before he made this charge.

THE SECTION SAYS: "All political power is inherent in the people. Government is instituted for the protection, security and benefit of the people, and they have the right to alter or reform the same whenever the public good may require it."

Indications are the voters of Stanislaus County may have been acquainted with this section of the Constitution during the special election.

Letters to the Editor

Dear Editor:

My green and red Christmas lights are still burning under the eaves of my house nightly and around the wreath hanging on the door; the "snow" covered Christmas tree in the livingroom still glistens.

My neighbors are probably wondering by now whether we are starting early for next year or whether they should join us in singing carols and Yuletide songs, dreaming and hoping for a "white" Christmas.

Although our name was not mentioned, it looks like a columnist of the Pasadena Independent-Star-News had heard of us and after expressing his bewilderment, he ended with "maybe they are all out of step except the householder who seems to be bold enough to suggest there is merit in observing Christmas all year around."

YES — WE ARE BOLD enough to do just that! The idea did not start that way, but it grew out of many protests and reflections.

First of all, we have always been annoyed by the fact that the Christmas decorations start earlier each year.

At or even before Thanksgiving, some houses have begun to light their homes and display the Christmas tree in the picture window.

It is bad enough that the stores being so early to decorate streets and shops, and to drone Christmas carols over our heads until the holiday itself becomes an anti-climax, with nothing fresh and inspiring any more.

We have always started to ornament our little home the Sunday before Christmas and really love to do it on Christmas Eve when we still decorate our Christmas tree.

Nicholas Ward, one of Siaway last Tuesday after an illness of almost a year. She was a poetess of note and had made frequent contributions to the Los Angeles Times and to many magazines. She was an artist with the brush as well as the pen and had many canvases to her credit. She lived in Sierra Madre at 109 E. Grand View and was born in Naugatuck, Conn. Mrs. Ward is survived by three daughters, Beatrice Ward Melvor and Jessie Ward Russell, each of Sierra Madre, and Mrs. Marguerite Heidrich of Los Angeles, and one nephew, E. Waldo Ward of Sierra Madre.

Mrs. Irving Ward (Mary

We like to think back to the time when our children awoke on Christmas morning and found the house a blazing and lovely glory overnight — they did experience the wondrous excitement of Jesus' birthday itself — everything prior to that had been preparatory anticipation tingling in their hearts.

TODAY, PEOPLE seem to want to get back to "normal" as soon as possible after the holidays, at the latest by Rose Parade Day, as they have become tired of the whole thing and it seems refreshing to look at the house without the tinsel. To us, it is a sad time when the decorations and glorious lights must come down and the Christmas spirit leaves our everyday life.

Because of illness, our children came to see our home the week after New Year and we had left the lights, the tree, the candy house and all the ornaments for the grandchildren to enjoy.

By that time, we were the only ones still symbolizing the glorious spirit which had touched everyone on earth for a short time — our house looked like an "odd ball" and we like "some kind of nuts." That's when something seemed to snap inside of me.

IT WAS NOT only a question of people starting the "shopping-spree spirit" and turning off the "holiday spirit" earlier each year; there did not seem much real Christmas Spirit left in between!

Christmas Day had become a formality of pushing the button which released the avalanche of presents and many had difficulties because of hangers from the night before.

Some went to church just to have the worn-out soul refreshed with reminders of the real meaning of the holiday season.

All of us have said at one time or other that "Christmas should last all year around," but how many of us are still really experiencing the Christmas spirit?

Dr. Albert Schweitzer expressed it beautifully once — "The real Christmas joy is the becoming gripped by the longing for the spirit of Jesus."

We think it is time for all of us to stand still a minute and to reflect upon what we have done to Christmas — we are all guilty in one way or another.

AND SO we are going to leave the Christmas lights burning on our house — to remind us to keep in touch with the Christmas spirit and to hold on to it. We hope that others who see our decorations will feel some of that spirit throughout the year and especially during the next holiday season, and that they will enter into the real Christmas joy with a little more thought and reflection.

Youths Will Direct Both Services on Coming Sunday At Congregational Church

Under the theme, "Called to Responsible Freedom," the young people of Pilgrim Fellowship will lead the service of worship at the Congregational Church this coming Sunday, Feb. 4.

At 9:30, Terry Barbour will give the call to worship, Ronald Lindsay will lead the invocation, Gloria Woodward will read the Scripture, Ann Heasley will lead in the responsive reading, and Rosemary Wittig in the Prayer of Confession. Sue Murphy will give the morning prayer, Nick Salazar the offertory prayer, and Larry Vanderveen the benediction.

AT 11 O'CLOCK, Bob Wortham will lead in the call to worship, Julie Carlson will give the invocation, Margaret Pedigo will lead the litany, and Bruce Lindsay will read the Scripture. Barbara Winslow will give the morning prayer, Toni Loomis the offertory prayer, and George Vanderveen the benediction. Lynn Golden will lead in the prayer of general confession.

Preaching at both services will be by John Nardolillo, Marthajo Tavis, and Pat Mihalovic. They will preach on the theme, "Approaches to God."

Ascension News

"Quiet Day" for Associates of the Sisters of Saint Mary and other church women will be held in the church, Saturday, Feb. 3, beginning with Mass at 8 a.m. and closing with Benediction at 3:30 p.m.

Conductor of the Mass will be Rev. A. Appleton Packard, OHC, prior to Mt. Calvary Monastery, Santa Barbara. Both breakfast and lunch are provided. For reservations please call Sister Elizabeth, ELgin 5-1144.

THE NEXT Couples Club meeting will be in Parish Hall at 7 p.m. Feb. 10. A Kosher dinner will be served by caterers for the amazing price of only \$1 a couple. That is, if 20 or more couples make their reservations. Get on the bandwagon now and plan to attend this occasion. Tables will be set up after the dinner for bridge, pinocle, monopoly and poker (the stakes will be toothpicks. Bring some along). Please make your reservation by Feb. 6 so we may order the proper amount of food. Call the de Prosses, EL 5-9107 or the Wolf's, Atlantic 7-7697.

THE WOMEN of the Church are sponsoring the Lenten Study Group which will be conducted by Father Smith. The group will meet Friday mornings for six weeks, beginning March 9. Each session will be preceded by Mass at 9:15 a.m. and a light breakfast in Parish Hall, and will close by 12 noon.

Discussions will be based on a section of Bishop Bayne's book, "Christian Living." Total cost of the book, materials and food is \$2.50. Babysitters are being arranged. Call Mrs. James Felton, SY. 8-1744 for a reservation and further information.

ANNUAL MEETING of the Bishop's Guild will be on Monday, Feb. 5 at St. James Episcopal Church, 3903 Wilshire Blvd., Los Angeles. Rt. Rev. Francis Eric Bloy will conduct the Mass at 11 a.m. Lunch at 12 noon will be served by Zuma. Reservations may be made with Father Green for \$1.50.

WOMEN OF THE CHURCH, remember the annual diocesan business meeting for Episcopal Churchwomen on Tuesday, Feb. 13 at the El Cortez Convention Center, San Diego. For details on the luncheon, Mass and meeting call Mrs. Munger, ELgin 5-3607.

'Search For Perfection' Hansen Talk

"Expecting to find perfection in life is a youthful quality that is less likely in mature persons," observes the Rev. Ray E. Hansen in announcing his sermon topic, "The Search for Perfection," for the 10:10 a.m. service Sunday at Shepherd of the Hills Lutheran Church, 33 E. Sierra Madre Blvd., Sierra Madre. "Today's younger generation with its sharp insights and idealism is often an embarrassment to its elders," the pastor, who is chairman of the Pacific Southwest Synod's Luther League, said. "This is good, for the passing years often dull our conscience and blur our vision. Yet the drive for perfection can easily become a hammer of intolerance. Finding weeds in the wheat is a true-to-life experience, and every man has to learn how to live his best in an imperfect world."

SHAPING HIS sermon on the story of the sower, a parable of Jesus found in Matthew 13: 24-30, the pastor will show what the Gospel says about the problem of imperfection in life, and how the Christian finds his answer to it. The Lord's Supper will be served, the altar being open to all confessing Christians. Christian education classes, including the adult Bible study, are at 9 a.m. for all age levels.

Methodist Service Unit To Convene

The Women's Society of Christian Service of Sierra Madre Methodist Church will hold its general meeting on Feb. 13 at 10 a.m. in Parish House. The program will be directed by Vice President Mrs. Charles Milton, who will present the speaker, Mrs. Elsie Reik, retired missionary. Mrs. Reik will describe her recent trip through Alaska, and will show colored slides of her journey.

DEVOTIONS WILL be given by Mrs. Ernest Phillips. Business meeting will be conducted by President Mrs. Mark Hopkins. Hostesses are Mrs. Harvey Hensel and Mrs. Fred Johnson. Mrs. Keith Moses will be moderator. A casserole luncheon will follow the general meeting and will be served by the Miriam Circle, Mrs. Ray Lindman, chairman.

Bethany Notes

This coming Sunday night, Feb. 4, Bethany Church of Sierra Madre will observe the Lord's Supper during the evening service. A Communion meditation will be given by Pastor Robert N. Schaper. A special Communion hymn will be sung by the Chancel Choir directed by Mrs. Margaret Schaper, accompanied by Mrs. Marilyn Richter at the organ. The first Sunday of the month is the monthly missionary Sunday and all offerings given to the church help support the 11 missionary families for which Bethany Church is partly responsible.

NEXT TWO WEEKS has been designated as "Work Weeks" with many of the members and friends of the congregation coming to do painting, cleaning windows and general repair work at the church. The two Saturdays in these weeks will be the main work day but some

of the men will be coming in the evenings to do smaller jobs.

PASTOR SCHAPER will be speaking at the banquet which concludes the Orange County Sunday School Institute held in Garden Grove. The Institute started Thursday and throughout the rest of the week, workshops and special luncheons and seminars emphasize the ministry of the Sunday School.

The banquet at which Dr. Schaper will speak will be held at the Los Alamitos Friends Church in Garden Grove Saturday night, Feb. 3.

SEVERAL YOUNG PEOPLE from the High School department at Bethany Church will travel to Forest Home Conference Center to participate in a Young Life Conference this weekend, Feb. 2-4.

Young Life is an organization which seeks to reach high school youth on the campus through the lives of directors who open their homes for the club meetings. Tom Bade, who recently spoke at Bethany Church, is the Southern California director.

THE WOMEN'S MISSIONARY Society of Bethany Church of Sierra Madre will hold their monthly inspirational meeting this coming Tuesday, Feb. 6, at the church, Baldwin at Montecito.

Returned missionary, Mrs. Marjorie Scoville Stiles will speak in the afternoon at 1:30 o'clock. Mrs. Stiles is nurse for the staff of the

Far East Broadcasting Company station in Manila. She and her husband, Rev. Finney Stiles, left the United States three years ago for

Okinawa where they spent 14 months at FEBC station there.

The day begins with a hour and then his wife

work day at 9:30, then a potluck luncheon at noon followed by the inspirational hour with the Stiles. Mr. Stiles will sing during this

Marjorie will speak to the women. Mrs. Anna Marie Brown, president of the group extends a cordial welcome

to all women of the community who may be interested in the type of ministry which the Stiles are rendering in the Far East.

Swengel In Sermons On Diety's Value

Rev. Clinton W. Swengel is preaching a series of three sermons on "The Relevance of God" at the Sierra Madre Methodist Church. Last Sunday, "Youth Sunday," the sermon was on "Youth Looks at God" and he was assisted in the pulpit by short talks by Jim Case, president of the Methodist Youth Fellowship, and Carolyn Kirk.

Next Sunday, Feb. 5, the sermon will be, "A Modern Look at God," and on Feb. 12, "Washington and Lincoln's God."

A BEAUTIFUL PAIR of handrails have been installed at the front steps of the Sierra Madre Methodist Church, gift of Mrs. Ernest C. Phillips and friends. Being on both sides of the walk the rails will help folk with either a right-handed need or a left-handed.

BOY SCOUT TROOP 384 has recently begun active life under sponsorship of the Sierra Madre Methodist Church. Al Born is the institutional representative; Grant Brown, the Scoutmaster; and William Heller, the chairman of the troop committee.

Several boys have been enrolled as tenderfeet, bringing the troop up to full strength. The troop meets on Thursday nights at the church.

Christian Science Theme Is 'Love'

The connection between loving one's fellowman and knowing God will be emphasized at the Sunday services in all Christian Science churches. The subject of the Lesson-Sermon is "Love." The Golden Text is from Jeremiah (31:33), "The Lord hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love: therefore with lovingkindness have I drawn thee."

The sermon will include these citations from I John (4:12,13,16,17), "If we love one another, God dwelleth in us, and his love is perfected in us. Hereby know we that we dwell in Him, and He in us, because He hath given us of his Spirit... God is love; and he that dwelleth in love dwelleth in God, and God in him. Herein is our love made perfect, that we may have boldness in the day of judgment: because as he is, so are we in this world."

Rabbi Angel Will Talk on 'At Sinai'

Rabbi Camillus Angel, D.D., and the 7th grade of Religious School will conduct the Family Sabbath services at Temple Beth David of the San Gabriel Valley on Friday at 8 p.m. Rabbi Angel will speak on "At Sinai."

The Temple Choir will participate, with Mrs. Charles Lich of 710 Encino Dr., Arcadia, at the organ. Mrs. William Goldman of 2644 Mayflower, Arcadia, will read the Invocation and recite the Blessing of the Lights.

Fellowship Will Show Film Strip

The Womens' Fellowship of Sierra Madre Congregational Church will present a film strip by the American Bible Society at their luncheon Tuesday, Feb. 6, at 12 noon.

The film "The Bible in Latin America" will be shown in the primary room and the public is invited. Members are requested to bring a salad or hot dish.

Glendale Federal Pays Higher Rate

Glendale Federal Savings and Loan Association's board has approved an annual dividend rate of 4.6 per cent for 1962's first quarter, according to an announcement from J. E. Hoeft, founder and board chairman.

The higher rate was approved by Glendale Federal's board after it reviewed the association's record growth in savings, loans for homes, home improvement loans and total assets during 1961.

Torrey Is Vice President Of Firm In Breakthrough In New Name Plate Method

A revolutionary new breakthrough in the field of graphic arts called "Ceramic" now makes possible production of nearly all types of industrial name plates, wiring diagrams, instruction panels and seals at the low cost of pressure-sensitive labels. It is announced by John S. Torrey, vice president and general manager of Avery Label Co., Monrovia.

A Sierra Madrean, Mr. and Mrs. Torrey reside at 75 Lowell, Sierra Madre. He has been prominent in civic development here, notably the Sierra Madre Nursery School, leading the move for completion of its recent addition.

This new letter press production technique transforms aluminum foil, Mylar, and other materials into high quality identification products which have a beauty and durability never before achieved in a pressure-sensitive label.

THE FRUIT of three years of research and development in its own laboratories, this exclusive Avery process combines a clear, lustrous

image with a tough ceramic-like coating that resists abrasion, solvents and fading.

Because of its toughness and brilliance, Ceramic offers limitless new design possibilities, from multi-color decorative panels or seals, to single colored instruction or coding plates. Ceramic is offered in die-cut label form on easily automated rolls or in convenient sheets for swift hand application.

Newly developed automatic processing equipment makes it possible for Avery to produce these new Ceramic qualities without the necessity of expensive baking, etching, laminating, trimming or handling of individual parts.

CERAMATIC is latest of a

series of important new developments pioneered by Avery Label Co., originator of the pressure-sensitive label.

It produces more than 30 million labels a day in its four plants located in: New Brunswick, N.J.; Cleveland, Ohio; Toronto, Canada and, its headquarters, Monrovia.

Shell's S. G. Quarters to Open Feb. 3

Assemblyman Joseph Shell, Conservative candidate for the Republican nomination for Governor of California, will make a personal appearance at the grand opening of the San Gabriel Valley Shell For Governor Headquarters at 221 W. Las Tunas Dr., San Gabriel, on Saturday, Feb. 3, from 2 p.m. to 4 p.m.

Those wishing to meet the Conservative candidate, to talk to him, to ask questions, are invited to attend the grand opening. The office will be open from 11 a.m. to 4 p.m., which will be the regular office hours. Literature and information may be obtained by visiting the headquarters or calling

ing headquarters telephone number, Atlantic 2-8404.

HEADQUARTERS will be the scene of much action. One of the special features will be practical politics courses, using the United States Chamber of Commerce material. There will be special classes for women, held as morning coffee sessions, Saturday classes for high school and college ages, and evening classes for husbands and wives. Enrollments are now being taken.

This course will include learning about government and part we can play in assuring good government by our participation. Students will learn how important they, as an individual, can be in maintaining our Constitutional government.

There are hundreds of hidden taxes today—but not one place for the taxpayer to hide.

Sierra Cycle Shop to Have Larger Store

After Feb. 4 (next Monday), the Sierra Cycle Shop, operated by Park and Fran Chase, with the aid of their son, Tai, will be located at 50 W. Sierra Madre Blvd. (formerly Rasmussen's Appliance Shop).

Though this business is only a little more than a year old, the response to it from Sierra Madre residents and those from surrounding areas has been so gratifying

that the move to a much larger store has become a necessity.

In addition to increasing the selection of bicycles, Sierra Cycle is adding a line of athletic sporting goods and equipment.

City Attorney To Teach Course At Southern Cal

Sierra Madre's City Atty. Charles R. Martin, also city attorney for San Marino and Monterey Park, will present a course on city planning and zoning law at the spring session of the University of Southern California's Civic Center Division.
